Message From MAK:

- » All the above are the need of the hour. Predominantly, these should be the welfare programs to be followed by the ruler (Rulers like Manu Neethi Cholan, Pandyan Nedunchezhiyan, Ravi Varman).
- » I have taken a vow to fulfill the above during my lifetime on our Mother Earth. God has delayed granting my wishes but never denied.
- » Let's join hands and march forward.

VISION AND MISSION OF MAK:

1. To achieve economic development of farming community which accounts for around 68% of the population in our country from poor to middle class through organic farming, which is possible in 5 years, thereby increasing country's GDP to Double Digits.
2. To teach the younger generation how to clean and keep Goddess Bhumadevi (Mother Earth) free from pollution in 5 years for which plan, and technology is ready to roll out.
3. To establish Siddha Dispensary and Medical Temple to give health to all the good children of God in the world. Thus, our farmers will get good profit in herbal production, improve their economy and raise their standard of living. This is possible in 7 years. The project is ready.
4. To bring good Governance by Implementing 2350-year-old Agasthiar's Sabha and Sabha Nayakar System (Manu Neethi Cholan rule) by electing apt people who wants public welfare within 5 Years in Tamil Nadu.
